

Jason Rae

Senior Data Analyst EMEA | Commercial Analytics Architect | Applied AI & Decision Intelligence Leader

jason@jasonrae.ai | Stuttgart, Germany | jasonrae.ai | linkedin.com/in/jason-c-rae

PROFESSIONAL SUMMARY

Commercial analytics and applied AI leader with 13+ years across sales leadership, EMEA analytics, pricing, forecasting, margin analysis, CRM governance and data transformation. Proven record of building commercial systems from zero, improving sales performance, correcting broken reporting logic and translating fragmented data into trusted executive decision systems. Combines hands-on Power BI, Python, SQL, machine learning and GPT-4 capability with deep commercial operating experience across Sales, Finance, BI and executive stakeholder environments.

PROFESSIONAL EXPERIENCE

Senior Data Analyst EMEA

2026-01 - Present | Stuttgart, Germany

Medline

Own and develop EMEA commercial analytics architecture across gross margin walks, pricing intelligence, forecasting, CRM analytics, opportunity identification, incentives and executive business review support. Build Power BI, Python, SQL, ML and deterministic GPT-4 workflows that convert fragmented commercial data into auditable, decision-ready outputs.

- Own and develop EMEA commercial analytics architecture across gross margin walks, pricing intelligence, forecasting, CRM analytics and executive business review support
- Build Power BI, Python, SQL, ML and deterministic GPT-4 workflows that convert fragmented commercial data into auditable, decision-ready outputs
- Support European leadership with forecasting governance, CRM quality improvement, pricing interpretation, margin analysis and business review narratives
- Lead applied AI and analytics enablement - translating technical concepts into practical commercial use cases, training approaches and governance models
- Operate as a cross-functional bridge between Sales, Finance, BI, IT and Supply Chain to resolve data-quality, reporting and decision-system issues

Senior Data Analyst Europe

2022-10 - 2026-01 | Germany (Hybrid)

Medline

Reporting to the SVP of Sales for Europe, combining data analytics leadership with UK key account sales development. Led commercial analytics, AI strategy, and financial data integrity across the European division.

- Achieved EUR1.3M in UK sales growth in 2023, surpassing target by more than fourfold - independently
- Led European contribution to a global AI initiative by building a training program from scratch that enabled commercial teams to apply AI safely across real business workflows
- Resolved historical discrepancies in country P&L reporting by identifying and correcting systemic FX methodology errors, restoring alignment between local and group financials
- Re-engineered Price / Quantity / FX decomposition logic to correctly model interaction effects and eliminate mis-attributed growth and margin drivers in commercial analytics
- Designed and implemented advanced bonus payment system, significantly improving security, accuracy, and reliability
- Discovered FX implementation defects in pricing systems, preventing systematic margin distortion across multiple European markets

Inside Sales Department Manager / BDM UK

2020-10 - 2022-09 | Warrington, England, UK

Medline

Selected to launch a new Inside Sales department for UK market expansion. Overcame pandemic and GDPR constraints to build a high-performing channel, independently out-performing all European sales representatives.

- Achieved EUR3M in sales growth against an initial annual target of ~EUR300k - surpassing the combined performance of all European Sales Representatives
- Identified 120 new distributors and secured 33 new accounts in a highly constrained market
- Developed advanced analytics tools including customer segmentation, forecasting, market analysis, and backorder analysis to optimise sales processes
- Identified and corrected costing discrepancies, securing double-digit improvements in cost basis through factory collaboration

Inside Sales Department Manager

2016-11 - 2020-09 | Kings Park, NSW, Australia

Medline

Reinstated to lead a turnaround of the Inside Sales division, leveraging AI and data analytics to transform operations across 38 customer markets.

- Grew divisional sales from 4% to 57% growth - a complete operational turnaround
- Architected a Customer Management System from the ground up, incorporating AI, analytical tools, and rigorous data management
- Transformed customer service personnel into award-winning sales professionals through intensive training - multiple STAR award recipients

Account Manager - NSW & ACT

2014-07 - 2016-10 | Canberra, ACT, Australia

Medline

Took on the least profitable territory in Australia and delivered the highest profitability in the country within two years.

- Grew territory revenue from \$1.4M to \$4.2M - a 3x increase in two years
- Improved territory profitability to 35% - the highest in Australia
- Named Account Manager of the Year and earned two STAR Award trips

Pilot

2005-01 - 2008-09 | New South Wales, Australia

Royal Australian Air Force

Completed rigorous pilot training at ADFA (UNSW), developing rapid learning capability, disciplined systems thinking, and high-performance decision-making under pressure.

- Earned Commandant Commendation Academic and Deputy Commandant Commendation Academic x3 at ADFA
- Developed rapid learning, high-stakes decision-making, and performance-under-pressure skills foundational to all subsequent career success
