

Jason Rae

Commercial Analytics & Applied AI Leader | Head of Analytics Target

Stuttgart, Germany | Jason_C_Rae@Outlook.com | jasonrae.ai | linkedin.com/in/jason-c-rae | github.com/JSunRae

TARGET ROLE

Head of Analytics | Business Intelligence | KPI Governance | Executive Dashboards | Revenue Analytics

EXECUTIVE PROFILE

Commercial analytics and applied AI leader with 13+ years across sales leadership, analytics, pricing, forecasting, margin analysis, CRM governance, acquisition integration, and data transformation. Known for turning fragmented operating data into trusted KPI systems, executive dashboards, and measurable business decisions. Combines hands-on delivery in SQL, Python, Power BI, machine learning, and governed LLM workflows with cross-functional leadership across Sales, Finance, BI, and executive stakeholders. Strong fit for analytics leadership roles that require business intelligence, data quality, scalable reporting, and revenue-linked analytics strategy.

ROLE ALIGNMENT

PROFESSIONAL EXPERIENCE

Senior Data Analyst EMEA | Medline | Stuttgart, Germany | Jan 2026 - Present

- Own EMEA commercial analytics across gross margin walks, pricing intelligence, forecasting, CRM analytics, opportunity identification, incentives, and executive business reviews.
- Build decision-ready workflows across Power BI, Python, SQL, machine learning, and controlled LLM systems where they improve auditability and speed.
- Partner across Sales, Finance, BI, IT, and leadership to improve margin visibility, forecast quality, pricing interpretation, CRM trust, and decision speed.
- Translate complex commercial data into executive narratives connecting revenue, margin, price, volume, mix, FX, and customer behavior.

Senior Data Analyst Europe | Medline | Germany, Hybrid | Oct 2022 - Jan 2026

- Delivered EUR 1.3M UK sales growth in 2023, approximately 4x above target, by combining commercial execution, analytics, and AI-enabled opportunity identification while reporting to the SVP Sales Europe.
- Corrected 10+ years of FX methodology errors and rebuilt Price / Volume / FX decomposition logic with correct interaction effects.
- Designed an enterprise-grade bonus payment system and led cross-functional problem solving across Sales, Finance, BI, and IT to improve trust in commercial performance data.
- Led customer-level integration across two acquisitions, coordinating regional analysts and country teams to reconcile credits, refactor customer/account data, preserve continuity, and restore reliable territory measurement.

Inside Sales Department Manager / BDM UK | Medline | Warrington, UK | Oct 2020 - Sep 2022

- Launched a new UK Inside Sales department and delivered EUR 3M sales growth against an initial target of approximately EUR 300k through data-driven segmentation, targeting, and execution.
- Built analytics for customer segmentation, forecasting, market analysis, and backorder management to prioritize accounts and guide commercial strategy.
- Identified 120 new distributors and secured 33 new accounts under pandemic and GDPR constraints.

EARLIER CAREER HIGHLIGHTS

- Inside Sales Department Manager Australia: drove a 4% to 57% growth turnaround across 38 customer markets.
- Account Manager Australia NSW and ACT: grew territory revenue from USD 1.4M to USD 4.2M and achieved 35% profitability.
- Pilot, Royal Australian Air Force: developed disciplined systems thinking, rapid learning, and high-pressure decision-making.

EDUCATION

Bachelor of Technology (Aviation), Australian Defence Force Academy (UNSW), 2008.
